

PRESENTS THE JAPAN-TEXAS ECONOMIC SUMMIT

May 7 - 9, 2018

Marriott Marquis Houston

1777 Walker Street, Houston, TX 77010

USJC is pleased to host the Japan-Texas Economic Summit, to be held in Houston, Texas May 7 - 9, 2018. Following the highly successful Japan-Hawaii Economic Summit in 2017, the Japan-Texas Economic Summit will bring together business leaders, investors, state and local officials, and economic development organizations from across the Lone Star State and Japan.

Texas is a leading destination for foreign direct investment from Japan, and we will welcome government and business representatives from the Government of Japan and regions throughout the country to explore further opportunities to strengthen the relationship between Japan and the state of Texas. The Summit will feature keynote addresses from prominent leaders from both countries, showcase Texas cities and their economic development opportunities, and focus on topics of importance to the Japan-Texas relationship such as industry innovation, workforce development, energy, medicine, manufacturing, transportation, finance, national security and more.
