

WHO WE ARE

The U.S.-Japan Council develops and connects diverse leaders to create a stronger U.S.-Japan relationship. Founded by Japanese Americans, the Council brings together leaders of the United States and Japan across backgrounds, sectors and generations to partner for a better future for the Asia-Pacific region and beyond.

WHY U.S.-JAPAN

The partnership between the United States and Japan is a driving force behind economic growth, while the security alliance maintains peace and stability in the Asia-Pacific region.

Built on shared values such as innovation and resiliency, the contemporary U.S.-Japan relationship continues to evolve and develop new frontiers for collaboration.

THE VALUE WE CREATE

NETWORKS

We foster professional relationships, expand access to U.S. and Japanese government leaders, and enable collaboration across sectors.

TALENT

We nurture the next generation of leaders from the United States and Japan and develop bicultural Japanese American talent.

VISIBILITY

We create opportunities that boost visibility for members and sponsors in the United States and in Japan.

SOCIAL GOOD

We create positive bilateral social impact through our programs and events on climate change/sustainability and diversity and inclusion.
